

Liability Waiver, Risk Acknowledgment, and Image Rights

Jura Hike & Fly 2025

I, the undersigned, _____, hereby certify that I have been fully warned and thoroughly informed of the inherent dangers of paragliding.

By signing this waiver, I certify that I am aware of these risks.

Furthermore, I understand and acknowledge that practicing free flying involves certain risks.

I understand and acknowledge that **neither the Jura Hike & Fly committee, nor its partners, sponsors, or any other parties involved** can be held in any way responsible for any incident related to this event, or resulting from negligence, whether active or passive.

I have voluntarily registered for this race, and I therefore personally assume all risks related to the event, including any injury or damage that may occur while I am a registered participant, whether these risks are expected or unexpected.

Furthermore, neither my family, successors, heirs, nor myself will file any claims, lawsuits, or complaints against the "released parties" regarding my registration or participation in this event, either during or after the event.

In addition, I authorize the organization to reproduce and use my image as part of the promotion and communication of the Jura Hike & Fly event taking place from May 2 to May 4, 2025. Jura Hike & Fly may use, publish, reproduce, adapt, or modify it, alone or in combination with other media, by all means, methods, or techniques currently known or to be developed in the future.

I also declare that I am of legal age and legally competent to sign this waiver, or that I have written authorization from my parents or guardians (a free flight license issued by the FSVL, or an IPPI Card level IV or V, is considered valid written authorization).

I have also read and understood the event regulations.

I, _____, hereby wish to release and discharge:

Jura Hike & Fly, its committee, and its partners (sponsors and others), all parties mentioned and defined above, from any liability in case of personal injury, damage to my personal property, or wrongful death, whether caused by, but not limited to, negligence, whether active or passive, of those same parties.

I have fully read and completely understood this "Liability Waiver, Risk Acknowledgment, and Image Rights – Jura Hike & Fly 2025" before signing it.
